

Time to Cycle to from Delaware and Cherry Avenue (within 10 miles)

Minutes

Cycling

With my bicycle rebuilding project underway, I was curious to see what I could reasonable expect to bicycle to from home in an hour or so. I think a bicycle not only is great for commuting, but also exploring local parks that won't be such a long walk on a bicycle.

Block-level stimates created using rmapboxapi, and the R programming language, plotted using QGIS.
