Mountain House Trail

Hunter, Catskill, Cairo - WMU 3C, 4S, 3A

The Mountain House Horse Trail is a popular old woods road up the Catskill Escarpment, past Sleepy Hollow where the legend of Rip Van Winkle took place. A 2.5 mile trail whose first mile is a steep abandoned dirt road, the trails menanders up the mountain to a scenic vista. Many people will go another two miles along the ridge line south to Palenville Overlook or another 1/2 mile up to the Catskill Mountain House Ruins Overlook.
