# Cod Pond Trail

Johnsburg, Thurman - WMU 5H

**A short, relatively flat hike back from NY 8 is Cod Pond.** This map shows a designated campsite along Cod Pond, but in my experience it's more of an informal site -- you can pretty much camp anywhere you want back in the woods, as the woods is not too thick back except near the lake.

**The trail as you can see splits twice,** so make sure you don't miss your turn, especially during the second y-split (the main snowmobile trail is much wider then the trail down to Cod Pond). Coordinates are shown to use with your GPS.
